**Re: *United States v. Seth Fishman*, 19 Mag. 10120**

Dear Judge Parker:

The Government writes with defense counsel's consent to request a modification to the bond conditions imposed for defendant Seth Fishman in the above-captioned matter. The parties had initially agreed upon a bond condition specifying that the defendant would avoid all contact with victims of, or witnesses to, the crimes charged, except through counsel. Upon further discussion with defense counsel, the Government respectfully requests that the Court amend this condition to restrict the defendant from discussing his ongoing criminal case with any person outside the presence of defense counsel in the above-captioned matter.

The Government further requests that this letter be filed under seal in the above-captioned matter, pursuant to the Court's sealing order.

Very truly yours,

GEOFFREY S. BERMAN  
United States Attorney
